2016 VISION FOR HIS DESIGN

In 2016, our His Design couples fellowship will continue to pursue the mission of our adult ministries by reaching people, teaching people, and ministering to people. We will also work towards our purpose of strengthening marriages and providing the biblical tools necessary to build a home that will not only survive, but also thrive.

As our class grows this year, we will **emphasis personal ministry** more. Ministry is best accomplished through relationships and discipleship. We will tenaciously work towards growing larger and smaller all at the same time. We will do this by reaching more people and getting them relationally connected to more people in our class and church.

Finally, we want to **support the vision of the church through our class** by involving our members in leading, serving, soulwinning, sharing, giving, and growing. We want His Design class members to be spiritual leaders in our church family.
